Hi John:

This week, I generally worked from 0630 to 1500 with a 30 minutes lunch break.  
I worked 1.5 credit hours on Tuesday (1500-1630) and Wednesday (1500-1530 and 1800-1900) to work on the draft response to CBS news and Mayor Alegria (City of Rancho Palos Verdes).

This week's work highlights:

Edwards AFB:

- Prepared for and Attended the RPM and OU4/9 Technical Work Group meetings
- Reviewed and approved the Interim RTCs on Draft 2020 Sites 6 and 113 Groundwater Monitoring Report
- Prepared EAFB transfer workload and recommendations table

Palos Verdes Shelf:

- Reviewed and concurred with the FY21-22 DTSC MSCA work plan
- Collected and compile reference documents for DES FS contract review
- Initiated FS DES contract cost re-evaluation (there were mistakes in the contractor's calculations and increased the cost). CO found the discrepancies this week.
- Attended Heal the Bay Outreach meetings

Ocean Disposal:

- Attended FOIA 2952 kick off meeting
- Completed FOIA 2952 no record certification
- Reviewed versions of draft response to Senator Feinstein
- Drafted response to CBS news questions
- Drafted response letter to Mayor Alegria from the City of Rancho Palos Verdes

Judy
